TOWN MAINTENANCE AGREEMENT

AGREEMENT entered into this _____ day of April, -----, by and between ----------, doing business as _____ (hereinafter "Contractor"), of the Town of ????????, in the County of Waldo, and State of Maine, and the TOWN OF UNION (hereinafter "Town"), a body corporate and politic, located in the County of Knox, and State of Maine.

In consideration of the mutual covenants contained herein, the parties agree as follows:

1. Purpose. The purpose of this Agreement is to set forth the terms and conditions under which the Contractor will provide Town maintenance and related services to the Town and any designated Town Board or Committee.

2. Scope of Service. The Contractor shall perform those services and required duties as described in Exhibit A, attached hereto and incorporated herein by reference. Contractor shall be responsible for the professional quality, accuracy, timely completion, and the coordination of all services furnished by the Contractor under this Agreement.

3. Term. This Agreement shall be for a term beginning April 1, 2017 and extending through December 15, 2019.

4. Payment. The Contractor shall be paid for the term of the Contract the sum of Twenty-Two Thousand Eight Hundred Dollars ($000000000), at the rate of Seven Thousand Six Hundred Dollars ($0000000) per year in accordance with the following schedule of payments:

SAMPLE CONTRACT

(DATES LISTED HERE)

The final yearly payment in November of each year shall be withheld until the Town Parks and Recreation Committee Chair, Board of Selectmen, and Town Manger determine that all services under the Contract have been fully performed for that year.

5. Independent Contractor Status. Throughout the performance of this Agreement, the Contractor is acting in independent capacity for the Town and not as an officer, employee or agent of the Town. Personnel needed to perform the Contractor's duties under this Agreement shall be employed or retained by said Contractor, and it is solely responsible for complying with all applicable state and federal laws, including but not limited to: workers compensation law, employment security law and minimum wage and hours laws.

6. Review. Contractor's performance of services shall be reviewed by the Town Manager and/or his designee on a periodic basis, but not less than annually.

7. Insurance. The Contractor must provide a Certificate of Insurance in the amount of $500,000/$1,000,000 General Liability along with Worker's Compensation Insurance within ten (10) days of the execution of this Agreement. The Contractor agrees to maintain throughout the term of this Contract insurance coverages of the following types and in the states amounts: (a) General Liability: $500,000/$1,000,000 and (b) Worker's Compensation on all employees, also requiring Worker's Compensation from any subcontractors to the same specification. The Contractor shall further furnish the Town annually, for the duration of the Contract, a Certificate of Insurance as proof of these terms.

8. Termination. Without prejudice to any other right or remedy, the Town may terminate this Agreement for cause by providing the Contractor with seven (7) days' written notice of termination. For purposes of this Agreement, cause includes, but is not limited to: the adjudication of the Contractor as a bankrupt; the making of a general assignment by the Contractor for the benefit of its creditors; the appointment of a receiver because of the Contractor's insolvency; the Contractor's persistent or repeated refusal or failure, except for cases in which extension of time is provided, to supply enough properly skilled workers or proper materials to perform the Services; the Contractor's persistent disregard of federal, state or local statutes, laws, codes, rules, regulations, orders or ordinances; and the Contractor's substantial violation of any provisions of this Agreement. Further, the Town may terminate this Agreement for convenience upon thirty (30) days' written notice to the Contractor, in which case, the Town shall pay the Contractor for all Services satisfactorily performed and materials purchased up to the date of receipt of such notice by the Contractor. In the event that the Town terminates this Agreement for cause and it subsequently is determined that cause did not exist, such termination shall be deemed to be for convenience.

9. Liens. Neither the final payment nor any retained percentage shall become due until the Contractor delivers to the Town a complete release of all liens arising from the services performed under this Agreement, or receipts in full in lieu thereof and, in either case, an affidavit that so far as it has knowledge or information the releases and receipts include all the labor and material for which a lien could be filed, but the Contractor may, if any subcontractor refuses to furnish a release or receipt in full, furnish a bond satisfactory to the Town to indemnify it against any lien. If any lien remains unsatisfied after all payments are made, the Contractor shall refund to the Town all moneys that the latter may be compelled to pay in discharging such a lien, including all costs and a reasonable attorney's fee.

10. Subcontract. The Contractor shall not subcontract all or any part of this Agreement without the prior written permission of the Town. The Contractor agrees that it is fully responsible to the Town for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by them, as it is for the acts and omissions of persons directly employed by it.

11. Indemnification. The Contractor, at its expense, shall indemnify and hold harmless the Town, its members, officers and employees, from and against all claims, causes of action, suits, losses, damages and expenses, including attorney's fees, arising out of or resulting from negligent acts, errors or omissions or breach of contractual duties to the Town by Contractor and anyone employed by it (including subcontractors and their employees) in performance of this Agreement.

12. Force Majeure. Provided such party gives written notice to the other of such event, a party shall not be liable for its failure to perform its respective obligations under this Agreement, if prevented from so doing by any cause beyond the reasonable control of such party such as, but not limited, to strikes, lockouts, or failure of supply or inability by the exercise of reasonable diligence, to obtain supplies, parts, or employees necessary to perform such obligations, or because of war or other emergency. The time within which such obligations shall be performed shall be extended for a period of time equivalent to the delay from such cause.

13. General Conditions.

A. Nondiscrimination. The Contractor, in the performance of their assigned tasks under the terms and conditions of this Agreement, shall not discriminate against any employee or applicant for employment because of race, color, creed, national origin, ancestry, age, sex or handicap status. The Contractor, in the performance of their assigned tasks under the terms and conditions of this Agreement, shall not discriminate in their relationship with, hiring of, or other contract with subcontractors or suppliers because of race, color, creed, national origin, ancestry, age, sex or handicap status. The Contractor shall further indemnify and hold harmless the Town from any claims or demands of any third parties resulting from noncompliance by the Contractor of any of the provisions of this Section 12(A) and, in case of termination or cancellation of this Agreement, Contractor shall further indemnify the Town during the remainder of the original term or any extension thereof against any loss of damage suffered by reason of such termination.

B. No Assignment. Neither this Agreement, nor any rights, obligations or responsibilities of the Contractor hereunder, may be assigned, without prior written consent of the Town.

C. Waiver. The failure or waiver, or successive failures or waivers, on the part of either party to this Agreement, and the enforcement of any conditions, covenants, sections or provisions of this Agreement, shall not render the same invalid or impair the right of either party, or their successors, to enforce the same in the event of any subsequent breach thereof.

D. Construction. This Agreement and its performance shall be construed and governed in accordance with the laws of the State of Maine.

E. Succession. This Agreement, together with its various provisions, shall be binding on the successors of the parties thereto.

F. Integration. This Agreement represents the entire and integrated Agreement between the Contractor and the Town and supersedes all prior negotiations, representations or agreement either written or oral. This Agreement may be amended only by written instrument signed by the Contractor and the Town.

G. Notices. All notices, demands and communications hereunder shall be in writing and shall be served or given by registered mail as follows:

To be filled in

Notice to the Town of Union:
c/o Jay Feyler, Town Manager
P.O. Box 186
Union, Maine 04862

H. Separability. If any provision of this Agreement or portion thereof, or the application thereof, to any particular person or circumstance, is held to be invalid by a court of competent jurisdiction, the remainder of the agreement including the remainder of any such provisions, and the application thereof, shall not be adversely affected thereby.

I. Authority. If Contractor is a corporation or other type of organization requiring a party to execute this Agreement in a representative capacity, each individual executing this Agreement on behalf of said corporation or organization represents and warrants that he is duly authorized to execute and deliver this Agreement on behalf of said corporation or organization, in accordance with the by-laws or other operating documents of the corporation or organization, and that this Agreement is binding upon said corporation or organization.

J. Entire Agreement. This Agreement constitutes the entire understanding of the parties and no prior Agreements or understandings pertaining to any of such matters shall be effective for any purpose. No provision of this Agreement may be amended or added to except by agreement in writing signed by the parties hereto or their respective successors in interest. This Agreement shall not be effective or binding on any party until fully executed by all parties.

IN WITNESS WHEREOF, the parties hereto set their hands and seals this _____ day of _____, 201___.

EXHIBIT A

Scope of Services for Contractor

Maintenance Areas (hereinafter "Maintenance Areas") Included In Agreement:

The Town Common, The William Pullen Building (Town Office/Fire Station), Ayer Park, Prior Park, The Robert H. Heald Recreation Area, The Ralph W. Thorndike Field, and Founder's Park.

Scope of Services:

The Contractor shall be responsible for all maintenance activities at the Maintenance Areas. Such maintenance activities shall include, but not be limited to, the following:

(1) All mowing of grass on a regular basis, grass shall not exceed 3 inches.
(2) All trimming of grass on a regular basis (i.e. around the trees and park benches on the Common; the large rocks, monuments, and shrubs at Prior Park, Robert H. Heald Recreation Area, and Founder's Park; around the fence and backstop at the Ralph W. Thorndike Field, and around the fence at the boat ramp at Ayer Park).
(3) The trimming of bushes as necessary (i.e. Prior Park and Founder's Park, around all sides of the basketball/tennis courts).
(4) The removal of leaves as needed on all properties, including after mowing season

General maintenance to include early spring clean up and refuse removal of all areas prior to the first spring mowing. This will require a complete raking of all areas mentioned above. Thereafter, all areas will undergo the pickup of debris including tree limbs, branches, sticks, leaves, bottles, cans, papers, and any other trash at time of mowing.

Specifically, maintenance will also include the following:

(1) Weeding and trimming is to be done around the William Pullen Building and along the culvert and brook next to the William Pullen Building.
(2) All areas are to be mowed and presentable for Memorial Day Fourth of July, and Founders Day. Mowing should occur no earlier than 3 days before the event.
(3) The Town Common Green area shall be mowed at least twice a week during the rapid growing season and the grass shall not exceed 3 inches at any time.
(4) Thorndike Field shall be mowed twice a week during baseball season and once per week thereafter. (Baseball season is April through June).

Work at the Town Common, the William Pullen Building, Founder's Park, Ayer Park, Prior Park, the Robert H. Heald Recreation Area, and the Ralph W. Thorndike Field is to be done under the supervision of the Parks and Recreation Committee Chair in conjunction with the Town Manager.

SAMPLE CONTRACT

CEMETERY MAINTENANCE CONTRACT

The Town of Union, acting by and through its duly elected officials, hereafter referred to as "TOWN," and_----------, Maine hereafter referred to as "CONTRACTOR," hereby enter into a contract to maintain the following cemeteries for three years beginning April 1, 2017 and ending December 15, 2019:

The COMMON CEMETERY, LAKEVIEW CEMETERY, SIDELINGER CEMETERY, SKIDMORE CEMETERY, EAST UNION CEMETERY, and all Annexes. Including those areas usually kept mowed at each cemetery, such as a driveway outside the fence at the Common Cemetery, leading to another portion of the cemetery and highway portion of the Common, Sideliner, East Union and Skidmore Cemeteries.

This contract, although for a three-year period, will be subject annually to a review of performance of work completed, by the committees listed in the contract, the Cemetery Director, and the Town Manager. Final judgment, which would cause termination of this contract, will be made by the full Board of Selectmen.

The Contractor will be responsible for all the proper and normal maintenance with mowing and trimming to be done at least on a weekly basis, under the supervision of the CEMETERY DIRECTOR. This contract includes the removal of trash from trash containers. All cemeteries to be mowed and trimmed no earlier than 3 days before Memorial Day Weekend and the Fourth of July. Grass should be kept below 3 inches in length.

Maintenance to include removal and disposal of all debris, including tree limbs, branches, sticks, leaves, bottles, can, paper and all other trash not in trash barrels. This contract is to include trash in the trash containers, all debris and trash must be disposed of offsite.

This contract to include items on attached addendum not mentioned above.

The following are the responsibility of the Contractor:

1. The Contractor must provide a Certificate of Insurance in the amount of $500,000/1,000,000 General Liability along with Worker's Compensation Insurance within 10 days after the bid is awarded.

2. The Contractor agrees to maintain throughout the term of this contract insurance coverages of the following types and in the stated amounts: (a) General Liability: $500,000/1,000,000 and (b) Worker's Compensation on all employees, also requiring Worker's Compensation from any subcontractors to the same specification. The Contractor shall further furnish the Town annually, for the duration of the contract, a Certificate of Insurance as proof of these terms.

3. The Contractor shall indemnify and hold harmless the Town and its agents and employees from and against all claims, damages, losses and expenses, including attorney's fees arising out of or resulting from performance of the work, provided that any such claim, damage, loss or expense (a) is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property including the loss of use resulting there from, and (b) is caused in whole or in part by any negligent act or omission of the Contractor or any of its officers, agents, employee representatives, subcontractors, anyone directly or indirectly employed by any of them or anyone for whose acts may be liable regardless of whether or not it is caused in part by a party indemnified hereunder and the Contractor, shall, at his own expense and costs, defend and protect said indemnified parties against all of such claims and demands.

4. The Contractor shall promptly pay all bills for labor, materials, machinery, tools, equipment, trucks, freight, fuel, and for all other materials contracted for or used by him on account of the work herein contemplated. If at anytime during the process of the work, or before final payment of any money due to the Contractor under the terms of this contract, any claim for labor, materials, machinery, tools, equipment, trucks, freight, fuel or for any other materials as aforesaid, or for damages by reason of any acts, omissions or neglect of the Contractor in the prosecution of the work, shall be presented to the Town, the Town may retain such sum or sums from the monies due the Contractor under this contract as is necessary to discharge all such claims whether for labor, materials or for damages as aforesaid. When the validity of such claims shall be established and fully determined, all such claims may be paid from the amount so retained if it to be sufficient for that purpose. If such claims are invalid and groundless, any amount so retained shall be paid to the Contractor, or in case of default of the contract to the Contractor's surety. Neither the Town nor any employee or corporation making such claims for failure or refusal to hold and retain money due under this contract for the purpose of such claim.

5. If the Contractor shall fail to perform according to the terms and conditions of this contract at any time and in the manner specified, such failure to perform shall constitute a breach of the total contract. In the event of a breach, the majority of the Municipal Officers shall immediately give verbal notice to the Contractor and order him to perform within a reasonable time. If the Contractor fails or refuses to substantially perform within the time specified by the Municipal Officers, they may declare the contract terminated in whole or in part, as follows:

A.) Termination in Whole: The Municipal Officers may terminate this contract in whole by sending the Contractor a written notice stating the reasons for termination. The Contractor will be paid for all work satisfactorily completed by him prior to termination, but the remainder of the money due under the contract may be used to hire a substitute contractor to perform the job. In the event that the cost of hiring a substitute contractor exceeds the amount of money remaining under this contract, the Contractor shall be responsible for that additional cost as well.

B.) Termination in Part: The Municipal Officers may after verbal notice to the Contractor, hire a temporary substitute contractor for any period of time for which the Contractor is unable or unwilling to perform. That substitute contractor shall be paid with money due the Contractor (but unearned) under this contract. This contract will otherwise remain in effect and the Contractor may resume work when he is able or willing.

C.) Other Remedies: The Municipal Officers may seek any other legal or equitable remedies available to enforce this contract or seek damages, including incidental and consequential damages. In the event that the Town files suit to enforce this contract and prevails, the Contractor agrees to reimburse the Town for its court costs and reasonable attorneys fees.

6. The Contractor will act in compliance with Title 5, MRSA, Section 784(2) (A through D), which statute is hereby incorporated by reference.

7. It is not intended by the provisions of any part of this contract to create the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to this contract to maintain a suit for personal injuries or property damage under the terms or provisions of this contract.

8. This contract may be amended by a writing signed by both parties.

9. The Contractor will furnish his own equipment.

10. This contract may be renewed for an additional period as determined by the Municipal Officers upon successful performance of this contract and with conditions agreed upon by the Municipal Officers and the Contractor.

11. The Town agrees to pay the Contractor the total of $ for the three-year term of the contract $ per year. Payments to be made on or before the following dates:

Twice a month payments from April through December consisting of _____(listed)

12. The final yearly payment to be made when it has been determined by the Board of Selectmen, the Cemetery Director, and the Town Manager that all terms of this contract have been satisfactorily met. A review of performance will be conducted by the Town Manager in November of each year.

In witness whereof the parties, or their duly empowered representatives have executed this agreement on the 8th day of ????????
