The Governor has moved the State and Federal elections until July 14<sup>th</sup> and I strongly suggest we do the same.

There are some great discussions going on in Augusta regarding balloting and if it should all be absentee ballots or subject employees to exposure of hundreds of voters.

I am doubting at this time we can find enough election workers to man the polls if we have to be open from 8-8. The clerks, managers associations have all voted to send letters to the Gov, asking for absentee voting only. Time will tell

#7: Follows along with the above and I say tentative as there are more discussions going on about Town Meetings and how they could change. Maybe we simply reduce our articles to 10 or so and do all ballot voting? Other options are floating out there, but we will wait until we hear from the legal eagles and the Gov.
