6. Review and make changes to Ordinance issues not passed at Town Meeting:

It is the Land Use Ordinance only at this point. Will have to have a public hearing. We could have a public hearing on September 12, 2019 and then the Board of Selectmen can hold one. There were questions and answers from a few people in the audience. There was a suggestion to have an informational push with a written summary. One resident stated that it was scary to read just two paragraphs on this. If there was a way we could have a visual at the public hearing that would help.

The Public Hearing will be on September 12, 2019 at 6:30 p.m.

7. Other Business:

Grant stated that we now have 11 new home permits, which is more than the last two years combined.

8. Adjourn:

Motion by: Gerry Brooks

2nd by: Robin Milliken
