

## **MINUTES**

### **GREEN SPACE COMMITTEE WEDNESDAY, DECEMBER 15, 2021 ONLINE BY ZOOM 6:30 p.m.**

Members present:

Kathleen Thornton, Heather Jackson, Wendy Reinemann, Donald Kleiner, Joshua White, Select Board Representative and Voting Member, and Clairlynn Rountree.

Meeting held via Zoom. Note that there were significant connection issues for several members at times.

Minutes of the last meeting approved without corrections.

No members of the public were present to comment.

Members decided to discuss their vision for what they want for the property in question. General consensus on the following points.

We need a survey to determine exactly what the boundaries of the property are so we can be clear on what is included in the discussion.

That the property should be restricted from residential or commercial development. Little access improvement from current situation.

Maintaining the current area of blueberry field to preserve views and the agricultural value.

Maintain limited public access with no improvements.

We're thinking that Forest management on the existing woodland will not be supported but we feel that we need to gather more information.

Discussion that we are to make recommendations to the select board, and would it make sense to see if we are on the right track before developing various strategies on how to accomplish these goals.

Committee discussed other possible options with pros and cons of each to assist the board in making their decision on how best to accomplish the goals.

Kathleen will approach the select board for time on their agenda to make sure we are headed in the right direction.

The committee also discussed getting community input very soon in the process to gather all relevant thoughts. No definite method decided on.

Next meeting scheduled for December 29 at 6:30 PM on Zoom.
