

MINUTES
AGING IN PLACE IN UNION COMMITTEE
Monday, January 6, 2020
William L. Pullen Building Meeting Room
1:00 p.m.

Present: Wanda Gamage-Wyman, Katie Tarbox, Lorain Francis, Martha and Clark Hooper, Bob and Dot Williams, Marcy Corwin, and Anita Brown.

1. Wanda opened the meeting at 1:05 p.m.
2. Bob motioned for the December 2, 2019 minutes to be approved as written. This was seconded by Katie and unanimously approved.
3. Wanda asked that we enter into the minutes the **2020 meeting schedule** as sent with our agenda: Feb. 3, March 2, April 6, May 4, June 1, July 6, August 3, Sept. 14, Oct. 5, Nov. 2 and Dec. 7.
4. Feedback discussion of our holiday luncheon December 5th: those present loved the Bingo. We still need to find ways to reach more people. Decision to schedule next luncheon on March 12th with St. Patrick's theme and corned beef meal. Idea of having another fun activity of "Union Trivia."
5. Jay has provided our committee with application information for Lifelong Communities Mini-Grant program. The grant application is due January 15. We do not have anyone with capability to complete this for this deadline. We need re-clarification of our goals.
6. Suggestion that we need available regular coverage in The Free Press and Courier Gazette/Village Soup. Question raised, whether we can have the date of our March luncheon in the Vose Library newsletter. We looked at a town of Vinalhaven newsletter which included different activities for all ages in the same newsletter.
7. We still do not have an update on the "Good Morning Union" program. When we have knowledge of someone who should be added to the program, we need a way to communicate this and support for emergency situations.
8. Katie reported MCH is reviewing the survey that will be distributed in the county for the AARP certification. They will need teams to distribute this when it is ready.

Aging in Place in Union Committee Meeting Minutes – January 6, 2020

9. We are all asked to bring the AARP “Road Map to Livable Communities” to our next meeting. We will work on *Mission, Vision and Goals*.
10. Our next meeting is **Monday, February 3, 2020 at 1:00 p.m.** in the downstairs meeting room.

Respectfully submitted,

Anita Brown
Secretary
