| II. Summer Little League | <ul style="list-style-type: none">➤ Pat Hood presented that an informal little league would like to use the Town ball field. The Town and Parks and Recreation Committee members would be protected by an insurance policy and there is a COVID-19 waiver that must be signed. If any player tests positive for the virus then the program will end immediately. There will be signage for safe distancing at the field and a thermometer will be on hand. This league is being opened to ages 9-12 and teams are being formed by town. Guardian must sign off on the participation. This would be a sandlot style league and team size will be capped at 15, 12 players and 3 coaches. Fall baseball rules will be followed and the league is intended to last six weeks starting July 1st. There will be no tryouts and no concessions. Registration and fees will be collected to cover the cost of the insurance policy and hats. A portable toilet will be needed on site. Each player will be responsible to bring their own bat and helmet, if unable to then the equipment will be issued to the player at the start of the game and sanitized after the game. One catcher allowed per game. The dugout will not be used, possibly camp chairs spaced out behind the fence.➤ Infield turf has been ordered.➤ If interest arises to form a softball league then an additional insurance policy would need to be purchased➤ Upon motion made by Mitch, seconded by Matt, the Parks & Recreation Committee unanimously voted to: approve the use of the Town ball field for summer little league using caution. | 1.
