Call volume is still a little below where it normally would be, but like I say it can change at a moments notice. I would like to let everyone know that we have hired our first full time paramedic and they will be starting on August 6th. Willis Gammon is a long time member of the service and long time local resident. By doing this it helps on the progress of making sure that when a medic is needed we have one, and do not have to rely on others services and stripping them of their medics.
