2023	131	6		

Hello everyone, I hope you are all getting a chance to get outside and enjoy the nice weather while we have it. For the Rescue it was a slow month with only 43 calls for service. But I can assure you that when April 1st can around we started to get busy again. With warmer weather coming soon everybody will want to be on the water I ask that everyone practice good safety make sure that you have life jackets on the little ones and when on the boat there is a least a life jacket for each person. As always if you have any questions or would like to see the rescue please come to the station and check everyting out.
