PARKS & RECREATION COMMITTEE MEETING MARCH 25, 2015

Present:

Naomi Miller, Mike Thompson, Katharine Lunt, Jim Justice, Laurie Anne Mcdaniels, Aaron Cheesman, and Patrick Mellor

Naomi asked Mike, Aaron and Kathy to submit a short paragraph about their teams, including pics if possible, for the town report. These are needed by 4/17.

Mike reports numbers for sign-ups for teams other than little league and softball are low. He is going to see about having a couple more sign up nights for these lower teams.

Naomi will look into uniforms; Kathy can let Naomi know what she needs for softball gear. Umpires are needed if anyone knows of anyone. Naomi will work on the little league banner after receiving input from us tonight.

Little league field needs a load of gravel and the batting cage will be set up. Mike will schedule a work day on the field. Naomi has looked into using pitch in Warren for indoor practices. She and Mike will coordinate.

Some talk about the field at the Union Elementary Field. The Town has submitted to the Pullen Fund for money to improve the field. The Parks and Recreation Committee members have questions. Naomi will send an e-mail to Jay to let him know of our questions.

Naomi will send out e-mails to pick the next meeting date.

Adjourned.
