AGENDA NOTES

OCTOBER 17, 2023

We have a lot of business to do, so we should try to be succinct.

#3: This is our annual Public Hearing of the General Assistance Ordinance, you need to open the Public Hearing and answer any questions the public may have, and then close the public hearing under #4.

I have attached a very lengthy document to this.

#7: You will need to vote to approve the GA ordinance, you really do not have a choice, but it is formality for the State mandate.

#8 Vic Pease will be here to request planting a tree of the Common, I have no other information at this writing.

#9 The Cornhole Connection is requesting a relocation alcohol license, details are attached. This is their first application in Union, renewals can be approved by the Town Manager

#10 Maine DOT called a few weeks ago about putting a stop light at the intersection at Four Corners, Adam happened to be in my office when the call came in. For those that remember, we had a similar presentation a few years back on the Wotton's Mill intersection.

The issue is that DOT wants the Town to either pay for the electricity forever and if it is the same as previous presentations, take charge of the light and be responsible for the repair in perpetuity.

Now we all know that within the last two years that light has been taken down by accidents.

In the Wotton's Mill situation all roads were DOT roads, in this case three of the four are DOT roads. Unfortunately, the State is always trying to push their cost to the municipality, perpetuity is a very long time and if and when federal regulations change, we would have to pay for all the updates.

We are going to hear about all the accidents, and at least one death since I have been here. I have seen the videos of the accidents and everyone I have seen has been vehicles traveling too fast. Now I can say I had a family member get hit there, and it was caused by a speeding inattentive driver. I believe that DOT should look at traffic calming before they put in a light, which in my humble opinion will cause quite a few rearends.

Now they may have changed their plans since I spoke to them a few weeks ago and related the SB concerns from a few years ago.

#11 Matt Elwell will be here to explain and update us on truck replacement. We are finally where we need to be with PW trucks, and we should keep up our plan. Today it takes almost a year to get a vehicle and he will be asking us to approve the purchase and use the funds from the reserve account for the majority of the cost.

#12: The Chamber wishes to use the Common for the Annual Tree Lighting on December 3" and approval to close the road for the event.

A reminder that we have both the SB and Planning Board, public hearing on the November ballot issues the following evening.

Subject: New GA Maximums for October 1, 2023

Enclosed please find the following items:

- o MMA's new (October 1, 2023-September 30, 2024) "General Assistance Ordinance Appendices" (A-H).
- o Recovery Residence Housing Maximums (October 1, 2023-September 30, 2024)
- o "GA Ordinance Adoption Form" which was developed so that municipalities may easily send DHHS proof of the adoption of any updated or changed GA Ordinance. Once the selectpersons or council adopts the new ordinance, the enclosed form should be signed and submitted to DHHS. (*see "Filing of GA Ordinance and/or Appendices" below for further information*).
- o "GA Maximums Adoption Form" which was developed so that municipalities may easily send DHHS proof of GA maximums adoption. Once the selectpersons or council adopts the new maximums, the enclosed form should be signed and submitted to DHHS. (*see "Filing of GA Ordinance and/or Appendices" below for further information*).

Updates

Please note that updates have been made to Appendix A (overall maximums), Appendix B (food maximums), and Appendix C (housing maximums) of the General Assistance Ordinance. There is also a new Recovery Residence Housing Maximums guide. You can find information about the MMA Model Ordinance on the Maine Welfare Director's Association (MWDA) website at www.mainewelfaredirectors.org.

Appendix A – H

The enclosed Appendices A- H have been revised for your municipality's General Assistance Ordinance. These new Appendices, once adopted, should replace the existing Appendices A – G. Even if you are not updating your GA Ordinance, the municipal officers must approve/adopt the new Appendices yearly.

The Adoption Process

The municipal officers (i.e., selectpersons/council) adopt the local General Assistance Ordinance and yearly Appendices, even in town meeting communities. The law requires that the municipal officers conduct a *notice and hearing* prior to the adoption of the Ordinance and/or Appendices. Seven days posted notice is recommended, unless local law (or practice) provides otherwise.

At the hearing, the municipal officers should:

- 1) Allow all interested members of the public an opportunity to comment on the proposed ordinance;
- 2) End public discussion, close the hearing; and
- 3) Move and vote to adopt the ordinance and/or appendices either in its posted form or as amended in light of public discussion.

Municipalities May Establish Their Own Maximums

Municipalities may establish their own maximum levels of assistance provided that the proposed levels of assistance are reasonable and meet adequate standards sufficient to maintain the health and safety of applicants in the municipality. The municipality must submit to the Department documentation to justify these levels of assistance and verify that the figures developed are appropriate to maintain health and decency.

A municipality's maximum assistance level for Food may not be below the Department provided figures which are issued by the USDA and published annually following a study of cost of food for various family sizes. A market basket survey may be used to establish food maximums if the maximums provided by the USDA are insufficient to maintain health in the municipality. (C.M.R. 10-144, Chapter 323, Section V).

Filing of GA Ordinance and/or Appendices

Please remember that General Assistance law requires each municipality to send DHHS a copy of its ordinance once adopted, should that ordinance differ from the MMA Model. Any changes or amendments, such as new Appendices, must also be submitted to DHHS. DHHS will accept the enclosed "adoption sheet" as proof that your Municipal Officers have adopted the current MMA Model GA maximums and/or ordinance. If you are not making changes to your adopted ordinance, you are only required to submit verification that the new Appendices have been adopted.
