2021	598	501	20	19
2022	727	590	41	24
2023	504	504	19	26

October has been another full month for us. This is not anything new as it is fire prevention month. We were able to help Appleton Fire and Union Fire at their prevention events as well as helping with an open house to help get people to join. I have update this sheet at the request of the advisory board to compare call volume over time there I have added year to date colmn. So you will see Total for the year in the first colmn fallowed by from the begining of the year to the month that we are reporting on.
