

# Select Board Sidelines

## June 23, 2021

**Disclaimer: The opinions expressed in the Sidelines are the individual thoughts of the Select Board member.**

**Submitted by Martha L. Johnston-Nash**

It's been very interesting this last year serving on the Board, and I've learned a lot about town government along the way. The discussions we've had have been very productive, and respectful of each others' opinions and ideas. In great part that is because of John Shepard's leadership. Thank you, John, for giving your time on the Board.

As we move into a new fiscal year, I'd like to congratulate Adam Fuller as our new Select Board Chairman. I have no doubt he will continue to ensure reasonable discussion and idea exchange. It's very nice to finally meet again in person and have those discussions face to face. Please join us in the town meeting room; we enjoy having town citizens join us and hearing your concerns and thoughts.

Annual appointments have been made, but there are still opportunities to volunteer: Aging in Place Committee; Parks and Recreation Committee; and we will be creating a committee to prepare for the Town's Sestercentennial Celebration shortly. This coming year looks to be busy, stay tuned!
