Like I keep saying, I feel like I am on repeat. Another busy month for us, we have already passed where we were for call volume 2 to 3 years ago and there appears to be no end. I stand by that we will be pushing close to if not above 700 calls this year. This makes us the busiest single rescue service in the county. As I always say we are also the only rescue west of RT 90 with no other rescues closer than 20 minutes to us.
