2022	727	41		
2023	442	19		

It has been another steady month for us on the rescue side. With colder weather coming this can bring new challenges as we fight with road conditions and people trying to keep there homes warm with what ever heat sources that they can afford. So, with that we are expecting to see more accidents and CO alarms as it is part of the this time of year. I hope everyone has a safe and happy Halloween and enjoy the changing leaves.
