

UNION PLANNING BOARD

Thursday, November 8, 2018

6:30 p.m.

Willaim Pullen Municipal Building Downstairs Meeting Room

1. Accept minutes of 9/13/18.

2. Katheryn Langelier -- (Herbal Revolution Farm and Apothecary, LLC) Map 23 Lot 18 (Brooder Auction building) application for #254 Warehousing, Processing & Distribution. Applicant wants to use a portion of the existing building for a commercial kitchen, office and shipping (under 1500 sq. ft.). The rest of the building will be used for Agricultural. The applicant also will use the existing “flower shop building” (more recently used for selling antiques) for retail sales, which is a similar use, so no addition approval needed for that building as I see it.

3. Review and discuss Roger Therriault’s draft of info regarding cluster development.

3. Any other business by the board.

4. Adjourn.
